

# Directions to The Spirit of Love & Light

**By Road** To come into Wickford you can use the A129 ( London Rd ) from the west, turn left into the High Street at the traffic lights. From the south you can come of the A127 link with the A132 ( Nevendon Road and Nevendon by-pass ) both roads link with the High Street. A129 Southend Road comes from the East into Wickford by the Wickford By-pass ( A132 ). You will need to follow the road to the roundabout that meets London Rd. From the North of Wickford You need to use the A132 Runwell Road, when you meet the Runwell roundabout take the second exit which goes into The Broadway which is part of Wickford town. There are a number car parks that you can use around the station, some you may need to paid, but you can use the swimming pool car park for free after 6pm that is only a little walk. You can also come into Wickford by northwest by Swan Lane that meets The Broadway which you will need to turn right ( see map above )

**By Rail** As we meet at the Wickford Railway Social Club which is on platform 3 of Wickford station. You can come from London ( Liverpool street ) which will come to platform 2. From Chelmsford or more northly you will need to change at Shenfield for Southend Victoria line, you will also come in on platform2. You can also come from Southminster branch line which comes into Wickford on platform 1, 3 and 4. There is a footbridge on Wickford station which joins platform 1&2 with 3&4 .

**By Foot** The station has a DISABLED entry to platform 3 which mean you do not need the use the footbridge on the station, so if you come from north part of Wickford or Platform 1 & 2 you need to go under the railway by the footpath tunnel then turn right before any buildings so that you use the footpath that goes by the railway. The footpath also goes has a car park on it's left and ends at market avenue which you will need to follow the path going to your right and the Disable footpath to platform 3. You will need to turn right and walk past the footbridge on the platform to the first door on the right for the railway social club.
